NETWORKING RECEPTION

In the spirit of NASA's two decade tradition of providing networking opportunities for small businesses and prime contractors through an annual event, this 2nd annual Industry Day will bring together small businesses, large businesses, prime contractors and government agencies, including major NASA centers and large commercial companies, for the purpose of discussing current procurement strategies and opportunities in the aerospace and highly technical industries.

\$129 per person
Register by March 17th

Further information including current list of exhibitors and sessions can be found on Eventbrite. Only large prime contractors and government agencies may exhibit.
